Portfolio: <https://quizzical-archimedes-1b2c3e.netlify.app>

## SUMMARY

Aspiring web developer with a background in education and mathematics. Earned certificate from University of Arizona Coding Boot Camp. Interested in all things technology. Passion for learning and problem solving. Strong attention to detail and flexibility in a variety of situations.

## TECHNICAL SKILLS

**Languages:** Javascript, Java, C#

**Applications:** React.js, Express.js, Node.js, MongoDB, MySQL, Bootstrap, HTTP, JetBrains

## PROJECTS

Color Story | <https://github.com/Mleuer/Color-Story> | <https://color-story.herokuapp.com/>

- Color Story is an app for artists and designers who work in multiple media to showcase all their work in one place, from digital media to material objects. If they made it, it can be shared on the site via a community wall of images.
- Responsible for creating front end components as well as necessary connections to the database.
- Javascript, React.js, Material-UI, Express.js, Sequelize

FoodTrak | [https://github.com/Mleuer/Project\\_2](https://github.com/Mleuer/Project_2) | <https://trackfood.herokuapp.com/>

- The FoodTrak app lets users log food they've consumed throughout the day. FoodTrak lets users search foods and see nutritional information so they can monitor the calories they are consuming throughout the day.
- Responsible for creating database models, defining relationships between models and creating controllers for sending necessary data.
- Javascript, JQuery, Express, Sequelize, Bootstrap

## EXPERIENCE

**Office Manager**

2018 – 2020

**Dream in Color**

Tucson, AZ

Communicate clearly and effectively with customers. Create a plan to ensure orders are received on time. Use AccountEdge accounting software to manage customer accounts.
